## Richmond Woods Apartments

Living that's equal parts  
life and style.

It doesn't get any better than this

**How do you define your ideal home?** Is it surrounded in comfort, pampered by a remarkable array of amenities just outside your front door? Or perhaps it's simply a safe, secure and comfortable place to hang your hat between travel and social engagements.

Regardless of how you define yourself we have just the place for you. Richmond Woods Apartments take living to an entirely new level: one that strives to support and delight, while providing absolute freedom to come and go as you please without care or concern.

Come home to your spacious one or two bedroom suite that provides a picturesque view of the city line or gracious woodland.. Give in to temptation and let the artesian spa's salt water work its magic, and for the days you don't feel like being in your kitchen, the gourmet restaurant always has a table waiting.

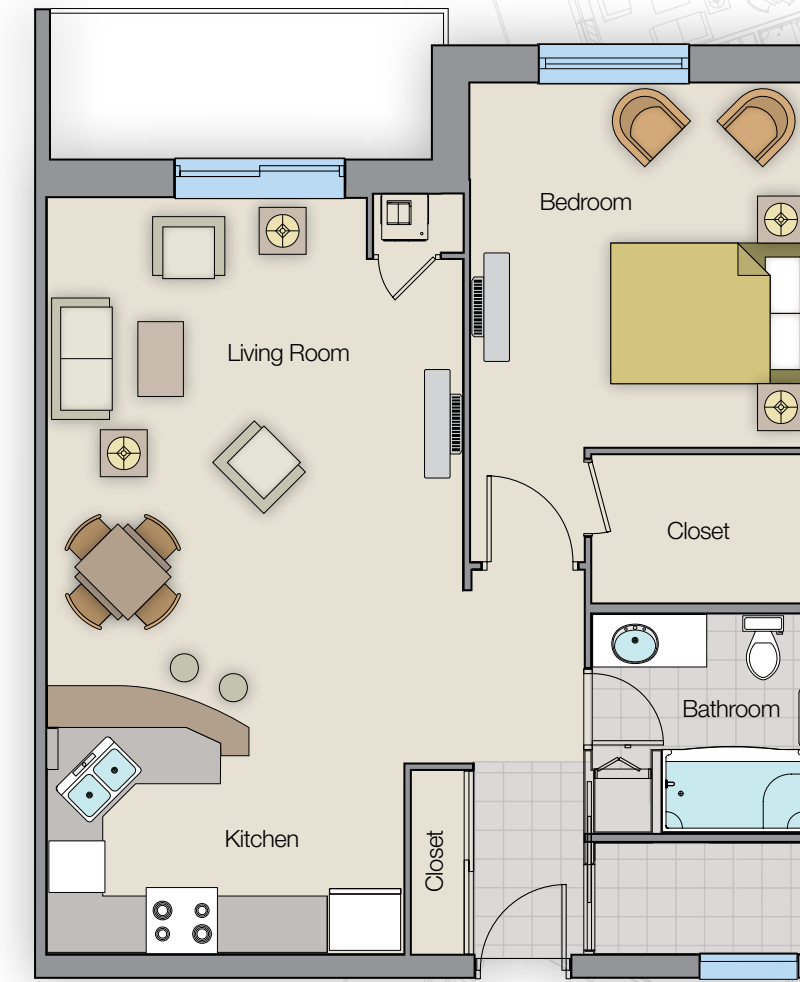

Every aspect of Richmond Woods Apartments has been designed around one simple philosophy; *stop worrying and start living.*
